PROFESSIONAL EXPERIENCE

Assistant Manager – HR (Talent Acquisition)

3D Product Development Pvt. Ltd. | Bangalore | Jan 2026 – Present

- Manage end-to-end talent acquisition activities for multiple branches from the head office.
- Source candidates through Naukri Resdex, LinkedIn, internal databases, and other recruitment channels.
- Analyze talent pool availability and develop optimized candidate pipelines based on workforce requirements.
- Coordinate recruitment and employee lifecycle milestones, including offer rollouts, onboarding, background verification, inductions, and final settlements.
- Maintain and analyze employee insurance databases, including claims-related information and compliance queries.
- Standardize training and development databases to support evaluation of program effectiveness and workforce impact.
- Coordinate with internal stakeholders and management to support workforce requirements and HR processes.

HR Assistant

Edizi Tools Pvt. Ltd. | Bangalore | Apr 2023 – Mar 2025

- Managed end-to-end monthly payroll for 150+ employees, ensuring accuracy and statutory compliance.
- Monitored candidate conversion metrics from initial sourcing and screening through formal contract distribution.
- Maintained workforce lifecycle records covering performance confirmation, employee exits, and legal separations.
- Supported PF, ESIC, labour law compliance, and internal ISO audits.
- Coordinated employee engagement initiatives and supported workplace improvement and 5S implementation.
- Maintained employee-related documentation and HR records to support operational requirements.

HR Coordinator

AKP Enterprises | Bangalore | Aug 2021 – Apr 2023

- Managed large-scale payroll operations for 1,200+ employees across multiple client accounts, meeting defined SLA requirements.
- Coordinated PF & ESIC registrations, employee updates, and exits.
- Supported recruitment, onboarding, and offboarding activities across client organizations.
- Maintained employee records, HR MIS reports, and statutory documentation.
- Supported day-to-day HR coordination and employee lifecycle administration across multiple accounts.

Operations Executive – Family-Run Business

Sukla Electric | West Bengal | Sep 2018 – Mar 2021

- Developed process mapping and trend analysis approaches to improve day-to-day business operations.
- Consolidated client, third-party vendor, and logistics records to monitor delivery timelines.
- Audited billing records and developed operational reporting templates for business performance monitoring.

INTERNSHIP & PROFESSIONAL TRAINING

Business HR Intern – MBA Internship | Tata Power Ltd. | 1 Month

- Managed daily HR database updates, record retention workflows, and digital documentation.
- Conducted operational efficiency analysis supporting 5S implementation and cost optimization initiatives.
- Audited historical HR files against corporate governance and compliance requirements.

Data Analytics Professional Training Program | Besant Technologies | 2025 – Present

Practical training in Business Statistics, Advanced Excel, SQL, Power BI, Python, Tableau, and Generative AI; participating in project-based learning and business case studies.

KEY PROJECT

HR Attrition Analysis | Tools: Power BI | DAX | Excel

- Analyzed an HR dataset containing 1,470 employee records to identify factors influencing employee attrition.
- Performed data modeling and developed DAX measures for Attrition Rate, Average Salary, and Average Tenure.

- Developed an interactive Power BI dashboard analyzing attrition by job role, education, age group, salary slab, and years at company.
- Identified significant attrition patterns across salary bands and employee segments.
- Implemented department-level filters covering HR, R&D, and Sales across nine job roles.
